· no special role in that mode — the key keeps its Navigation behaviour. Tab actions are OS-aware (Firefox & Chrome, macOS & Linux).
Select and Delete are mutually exclusive — while Delete is held the Select key is inert.

Compose & diacritics

Press Shift + Space on the base layer to arm Compose, then press one key.

Arm

Shift + Space from the base layer

Cancel

Esc any other key types as usual

Key	Produces	Example
	DEAD KEYS — press, then type the base letter	
e	´ acute	Shift+Space e e → é
a	` grave	Shift+Space a e → è
u	¨ diaeresis	Shift+Space u e → ë
o	^ circumflex	Shift+Space o e → ê
	DIRECT — prints the character immediately	
c	ç	Shift+Space c → ç
n	ñ	Shift+Space n → ñ
w	€ euro	Shift+Space w → €

Dead keys wait for a base letter, so the same accent works on any vowel (é á í ó ú · è à ì ò ù ...). Accents are OS-aware (macOS & Linux).
